

Hunter Rules

***rule changes or clarifications in bold print**

General

1. Classes will follow US Equestrian Federation (USEF) rules except where otherwise noted.
2. The use of the term "horse" for WWHSA purposes shall refer to grade and registered horses, ponies, mules and donkeys.
3. The use of drugs on horses in WWHSA is prohibited.
4. Age of the rider on January 1st of the current show year will determine the age for the entire show season. Age groups for the hunter divisions shall be as follows: Adults 18 years and older, Children and Juniors; 17 years and younger.
5. Proper show attire is required. Hard soled shoes or boots and protective headgear must be worn by ALL riders in both the schooling ring and in competition. Riders under the age of 18 must be wearing an ASTM-SEI approved helmet with safety harness in place and fastened at all times when mounted.

Registration-WWHSA clubs

6. Each club or organization will pay WWHSA a membership fee each year by the February meeting, which allows their members to register to ride for points, and allows the club to advertise their show in the annual Handbook.

Exhibitors

7. Each hunter rider who wishes to ride for points MUST do the following: complete a registration form and pay a fee which allows the rider to compete at WWHSA hunter shows for points. One rider may register multiple horses at no additional cost within one discipline. Additional disciplines may be added for an extra fee. Registration forms and proper fees MUST be mailed to the WWHSA treasurer, and payment must be received before points can be accumulated. Non-registered riders will be charged a \$5.00 non-member fee at each show which will go directly into the WWHSA treasury.
8. The exhibitor must be a member of a WWHSA club or organization for their points to count. Riders do not have to own the horse that they show, however, the rider needs to be registered for points to be counted.
9. The exhibitor must show at two WWHSA shows in order to qualify for a year end award.
10. No Junior (17 years or younger) shall be allowed to exhibit a stallion that is two years or older.
11. Any contestant withdrawing from a class after entering shall forfeit his/her entry fee, except in case of incapacitating sickness or injury to himself or his/her horse, or serious illness or death in the contestant's family.

Pointing Rules and Procedures

12. Exhibitors may register with WWHSA before the show season, or at their first horse show, however, no points will be counted from shows attended prior to their registration.
13. Competitors must enter their horse using the same name at each show in order for points to be counted.
14. Points will be awarded through six placings and will be awarded on a graduated basis, depending on the number of entries in the class. Points for first through sixth place are as follows:
up to 8 entries: 10, 8, 5, 4, 3, 2 points
9-15 entries: 15, 10, 8, 5, 4, 3 points
16+ entries: 20, 15, 10, 8, 5, 4 points
WWHSA recommends that the judge also recognize a reserve (7th) place, in the event that another rider becomes disqualified after placings have been made. Any ties in points at year end will be broken by giving the advantage to the rider who earned more points in over fences classes.
15. If a person rides in, or enters a horse in a division where they are not eligible, they will be disqualified and no points will be earned.
16. Equitation classes are judged on the rider, and points follow the rider in these classes. Hunter classes are judged on the horse, and points follow the horse in these classes. Points are accumulated in both flat classes and over fences classes in each division.

Judges and Judging

17. A judge may not live within 60 miles of the show site. Judges hired to judge second rings (ie. beginner riders/ground poles) are excluded from the 60 mile rule.
18. Judges may judge only two WWHSA approved hunter shows per season. The show management must inform the judge of this rule when they hire him/her, and shall provide the judge with a copy of the WWHSA rules along with their judging contract. Judges are not required to hold a judge's card.
19. Judges may not judge someone who has lessoned or cliniced with them within the last 60 days. Riders have the option of riding a courtesy round for schooling only (no points or ribbons), at the same price charged for regular entries. Judges may give lessons or clinics the day following a show.
20. The judge shall have the authority to remove any piece of equipment that does not conform to USEF rules. If a person has a physical handicap where he/she needs special aids, he/she may be allowed to use that at the discretion of the show management, who will then inform the judge.
21. The judge's decision is final.

Horse Show Management

22. Each show must offer all WWHSA hunter divisions in order to be an approved show. A division consists of one under saddle class and one or more over fences classes. *Exceptions:* for divisions that have no equitation classes (example: green, Open), there must be one under saddle class and two or more over fences classes.
23. Fence heights listed are a maximum. At the show management's discretion, fence heights may be adjusted down for poor weather or arena conditions. However, the fence height cannot be changed after the first horse/rider in a class has completed the course.
24. The secretary of each show shall send placings to the point keeper within three (3) weeks of the show, with all show results being turned in no later than October 1st. It is recommended that points be sent to the point keeper via Certified Mail or e-mail. If not sent in this manner, club member will accept responsibility for possible loss of said results. A \$20.00 late fee will be imposed if the three week deadline is not met. If late fee is not paid, the show will be omitted from membership the following year.
25. In case of a tie at a show where Championships are being offered, the rider who earned the most points in the over fences classes will be determined the winner.
26. All show fees, including stabling fees, office fees, entry fees, etc. must be listed on the show bill and must be adhered to. No hidden charges or increased fees may be charged to exhibitors.
27. A \$5.00 fee will be charged to each exhibitor who is not registered with WWHSA, with the fee going directly to the WWHSA treasury.

Conduct

28. All exhibitors are expected to exhibit good sportsmanship. If an exhibitor wishes to speak to the judge, he or she may do so by receiving permission from the show management. The judge will dismiss anyone from the ring that displays unsportsmanlike conduct. If necessary, further disciplinary action can be taken by the WWHSA board of directors.
29. Any exhibitor who does not pay their show or stabling fees will be considered not in good standing with the WWHSA and will not be eligible for year end awards.

Complaints

30. All complaints to the WWHSA must be submitted in writing and must be accompanied by a \$10.00 fee. The complaint must be sent within 7 days of the time it was lodged to a member of the disciplinary committee. If the complaint is verified, the money will be refunded. If voted down, the money will

stay in the WWHSA treasury. The complaints will be decided by a quorum.

31. Any questions regarding these rules and the corresponding class rules shall be sent in writing to the WWHSA President. The President, Vice-president, Secretary and Treasurer shall review and answer said questions.

32. All awards shall be presented at the designated year end awards ceremony at the time and place announced by the WWHSA.

34. Courtesy rounds will be permitted at the same cost per class and only with the show management's approval. Courtesy rounds are not judged and no points will be awarded.
35. Equitation classes are judged on the rider and therefore a rider may NOT enter an equitation class on more than one horse. Hunter classes are judged on the horse and therefore a horse may NOT be shown in the same class under two or more different riders at the same show. Riders who violate these rules will be disqualified from the class and will be receive no points for that class.
36. WWHSA recommends a warm-up class be offered at each fence height, with open entry until the fence height changes. This will be a paid entry, and will be judged, but can be done anytime throughout the day during a particular fence height. Judge will keep the card until the fence height changes, then pin the class. Rider shall notify the judge when riding the warm-up class and not the division class, prior to entering the ring.
37. No martingales shall be used in any flat classes.
